### WE DID IT!

Have you heard? The playground committee have been successful in receiving an Open Spaces Grant for the upgrade of the playground and Trudinger Park to the value of \$135,400. We have a concept plan for the area and are delighted to have received this amount of money so that hopefully now we can make some of the things that the community wanted to see in the park happen. Exciting times!!! Hopefully the new playground will be completed by the end of the year. We couldn't have got this grant without the wonderful community and council support we have received and whilst the project is being completed we will be looking for further community support. More details will follow later. If you are interested and would like to have a look at the concept plan it is on display at the Information Centre. Feel free to comment on it and give us some feedback.

### Congratulations Dylan Grey

The first local to enter the 2010 Australian Salmon Fishing and the first local to win a weekly mystery weight prize for 2010!

### The Elliston Treasures Op Shop

The Elliston Treasures Op Shop is a very successful fundraiser for the Community Hall. It raises approx \$10,000.00 per year and has played a significant roll in covering the costs involved in renovating the hall building.

The success of this venture is due to you—The Community. Donations keep pouring in - Thankyou! A big THANKYOU to Alais Manners and Noreen Romanowycz, these ladies come in every week and process the donations and keep the op shop clean, neat and tidy.

### CAN YOU HELP?

This photo was taken at the Sheringa St John's Church between 1958 and 1962. All but one person has been identified, the lady in front holding the walking stick is unknown. (6th from the right wearing black and facing to the right of photo) There is a larger copy of this photo with all the names bar one. in the Community Centre, if you could help please call in your help would be appreciated.

For further information you can contact Audine Tree.

*Thought for the month - Smile often. It makes people wonder what you are up to!*

# Art donated to Pines Hostel

Karina Sires, a year 12 student at Elliston Area School is undertaking a subject called Art in the Community, she chose to paint this picture for the Elliston Pines Hostel as part of her Community Studies. Karina is pictured with Jill Stewart, the Hostel Activities Coordinator. The painting will be donated to the hostel to be admired by patients, staff and visitors.

# Recipe Book

As part of the Enterprise Ed module of Community Studies, Tanya Quinn, a year 11 student at Elliston Area School has produced a recipe book comprising 20 recipes that feature chocolate and coconut ingredients. All recipes have been tried and taste tested before selection. They are all easy and quick to make, and would be ideal for that quick morning / afternoon tea treat. Included in the book are a full list of weights, measures, temperature conversions as well as tips and baking hints. The books are on sale in the Community Centre and at \$7.50 make a great gift idea!

PLEASE KEEP THIS DATE FREE –  
Sunday 25<sup>th</sup> July 2010.

St John's Anglican Church Centenary will be celebrated at Sheringa on Sunday 25<sup>th</sup> July 2010 with morning Eucharist to be celebrated by Bishop Garry at 10.30AM.

Soup, chicken and salad with apple crumble will be served for lunch at \$10 per person.

An afternoon service will be celebrated at 3.30PM with the beautiful hanging kerosene lamps glowing.

Offers of assistance to get the church, and the grounds plus the hall ready for the celebrations are still being accepted by Dianne and Chris Watson. We wish to thank the DCE for their contribution by way of a grant to assist with the expenses incurred.

Contact Dianne & Chris Watson: ph 86766049 or email: [cwatto@activ8.net.au](mailto:cwatto@activ8.net.au)

Boiling water and some bikkies will be available at the hall if you wish to make yourselves a cuppa on your arrival.

Most importantly though, it is very important to let Dianne Watson know if you intend coming along to be part of the celebrations. This is vital for catering purposes.

We look forward to you joining with us on this momentous occasion.

## Elliston Community Library News

The Eyre Peninsula Natural Resources Management Board and Greening Australia have released a very useful resource book on the Native Vegetation of the Eyre Peninsula. The EPNRM have donated a copy to the Elliston Landcare Group and it is now available in our Community Library. Copies are available at the centre to purchase, with 20% of sales to go to the centre. This book covers for the first time ever vegetation specific to our Peninsula and will prove to be a very valuable resource.

All plants have very clear photos, descriptions and distribution maps. Included in the book is a section on Bushland Weeds.

*The Elliston Echo* is published on the first Wednesday of each month, if you have a community notice or some interesting news you would like to share with the community, please email, fax or drop into the centre by 2pm on that Wednesday.
